

**"Greece is just so unbelievably beautiful!**  
There's so many islands, you're spoiled for choice. I love Santorini, you're in another world. I've never seen so many stars in my life! You're from a place, just like in 300, with such incredible history. It created this world today. What's not to love?"

**Gerard Butler**

69th Golden Globe Awards Red Carpet Interview with [GreekReporter.com](http://GreekReporter.com)

"Greece is just so unbelievably beautiful, there's so many islands, you're spoiled for choice. I love Santorini, you're in another world. I've never seen so many stars in my life. You're also from a place, just like in "300", with such incredible history. It created this world today. What's not to love?"
