

Greece is just so unbelievably beautiful! here's so many islands, you're spoiled for hoice. Hove Santorini, you're in another world. I've never seen so many stars in my fiel You're from a place, just like in 300, with urch incredible history. It created his world today. What's not lowe?"

Gerard Butler

59th Golden Globe Awards Red Carpet Interview

"Greece is just so unbelievably beautiful, there's so many islands, you're spoiled for choice. I love Santorini, you're in another world. I've never seen so many stars in my life. You're also from a place, just like in "300", with such incredible history. It created this world today. What's not to love?
